APM2018/3 To receive the Annual Report of the Parish Council:
"I have enjoyed looking back at what we have achieved as a Parish Council this year and I have enjoyed chairing the meetings. We have had another busy and productive year including:

- Funding a new notice board outside the village shop and repaired the one on Stone Riggs
- 30 Planning applications
- Grants for £100 for the toddler play group and £400 for Holy Trinity Church
- Inspected and maintained the play park and purchased several new pieces of play equipment
- Replaced the Millenium bench at end of Stone Riggs at a discounted price supported by Deans Garden Centre and replaced a damaged bus shelter.
- We have had many interesting and lively discussions about the Local Plan, duelling the A64, parking bays on Stone Riggs, flooding and drainage, Barr Lane Closure, left slip road from the end of Hopgrove Lane South, fly posting, fly tipping, speed restrictions, fracking, dog poo, ACV for the Fox Inn, transparency code, General Data Protection Regulation, play park, signs for the Parish footpaths and last but not least pot holes! But; we are still awaiting the light between the church and the public house.

Thank you to all Parish Councillors, Paul Doughty and Fiona Hill for all your support and hard work for the Parish throughout the year and thank you to all local parishioners who attended meetings or written to or brought matters to the attention of the council".
